**In addition Giuseppe wrote me with something his donations to others do not have: Dear Alan:**

This is Giuseppe now.

Eurasian Wild Boars is a totally different animal from the Feral hogs you have in your Country. It is a very desirable trophy in Europe, and we have to pay a substantial trophy fee for it.

Besides this, is a very unpredictable animal and tough to guarantee a successful hunt. We normally hunt them at night over bait.

Having said the above, if you think it will make the hunt donation more attractive, and making sure we explain it is not easy to guarantee a trophy, we can include one ONLY as the third trophy.

Trophy fees for boar included.

Thanks and best regards,

**Donor Value US \$5,700.00**
