

Nomad 20-60x60 Spotting Scope

Our Nomad spotting scope is a heavyweight performer in a light, compact package. Perfect for use whenever space is at a premium. The rugged, waterproof, impact-resistant construction stands up to rough use in the field. The angled eyepiece design permits lower scope mounting height, which allows better stability and user comfort. Any way you look at it, the Nomad is simply a great all-round spotting scope in a trim package.

ABOUT YOU

Surprised? Normally this is the section where it's "About Us". But at Vortex, it's All About You.

Rather than go on about "Us" and how long we've been in business and how great we are, we focus on you, what you need, what you want, what's important to you—because that's what makes us tick.

Let's sum it up in three simple words: People, Products and Promises.

People

The Customer is King. We not only believe this to be true, but we actually follow through on it. This means we treat you—our dealers and customers—like royalty. We care about you and the smallest of details, both before and long after the sale. If you ever have a problem with one of our products, then we make that our problem—no questions asked. Years ago, we started our business with the intention of being in it for the long haul and we have no intention of changing our strategy. Just take a look at our unconditional and unlimited VIP Warranty and you will see what we mean.

Products

Offering you the finest in rugged optics comes about by paying attention to detail in every aspect of our business. We are fanatics about doing things right. This way you can have the utmost confidence in our products—all worry cast aside. We are constantly listening to you for feedback and ideas on new products and innovative features so you can appreciate and enjoy the best in optical performance.

Promises

Say what we mean and mean what we say. At Vortex you have our pledge to uncommon excellence and dedication in every aspect of our business. Keeping our promises to you is not only good business; it's the right thing to do.
