

## 100 PHEASANTS Tower shoot

**Pheasant Creek Hunt Club** Owner Jim and Charlotte Fiegel have donated a unique, **“Tower” Pheasant shoot at their club near Markesan, Wisconsin.** This donation includes **100 pheasants for 10 people.** Can be upgraded to as many as 20 people for \$120 per person (10 birds each). This is similar to a European, driven pheasant hunt. The birds are released from a large tower. After each shot, another bird is released. After every 10 shots, hunters rotate stations. After the shoot, hunters will have the rest of the day to hunt on the property for birds they may have missed. (Yes, you will miss some, don't kid yourself) Additional pheasants and chukars are available at brochure prices. Lunch will be served after the shoot. Lodging is available at \$30 per person. Pheasant Creek has fine cover and great birds. Bring your buddies and dogs and make it a two day shoot. See their website for more details, information and directions. The hunt must be taken by Dec 31st 2012 and starts at 10am. Season is Sept to March 31. Go to the Club before the banquet and sample the fine hunting. Then bid high as the bidding competition will be fierce! Many of our members including Randy Mayes, Doc White, and Mike Alff have hunted with Pheasant Creek. **[www.pheasantcreekhuntclub.com](http://www.pheasantcreekhuntclub.com) Value \$1350 Minimum bid \$850**
