

Renowned artist, Virg Beck, will have a booth Friday & Saturday doing an "Original Acrylic" each night. (Shown is a past elk piece that Virg completed at our prior banquet) Virg starts the events with a partial piece like the elk and performs his magic brushwork. The fragment photos of the artwork in the background are some examples of his subjects.

For Friday and Saturday Virg will have different subjects than the ones shown here.

Raffle tickets will be available at \$10 each and only 100 will be sold for each piece done by this award winning artist. Separate drawings each night.
