April 1, 2011

Hello friends and fellow hunters,

First I want to thank you hunting with us this past season. We had another year of deep snow. We had a few days of really cold weather but not as bad as last two years. We burned most of the cover last spring and the cover turned out great. Big blue stem came in and stood good to the snow.

We held our seventh annual disabled pheasant hunt on Nov. 6th. We took out 24 hunters and had over 100 volunteers. Everything went great and everyone had a great time. A special thank you to all who helped make this hunt another great success. If you would like to help the next disabled hunt, contact Wayne or Robin for more details. We ran three bow hunts with a lot arrows shot and not many birds taken.

We plan to hold more dog trials next season.

It is now time to start thinking about next season. On the reverse side of this letter is our regular price sheet. On the other sheet are the April specials.

A bird cleaning station will also be finished. We will not be charging the memberships a fee. We will no longer be rolling over birds from season to season. This has gotten to costly with bird and feed costs rising.

We will also be working with a waterfowl guide service and offering a combination duck/pheasant hunt package. We have set up lodging at a local motel for those who have to travel. We have enclosed prices, membership sheets, and the April specials.

We hope you and your hunting group enjoyed hunting with us and we look forward to seeing you next season.

Thank you from all of us at Smith's Pheasant Crest Hunting Preserve.
